DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

In view of the papers filed 5/16/05 for Correction of Inventorship under 37 CFR 1.48(a), it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding original but previously un-named inventors. Billy R. Scott and Dallas N. Little have been added as inventors of this application.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.

Inquiries may be made to Paul Marcantoni at 571-272-1373 and if unavailable to Jerry Lorengo (SPE 1755) at 571-272-1233.

Paul Marcantoni  
Primary Examiner
